The Utah Valley Chapter of the American Guild of Organists began its 30<sup>th</sup> year of service in 2009. The purpose of the AGO is to promote the organ, to encourage excellence in the performance of organ and choral music, and to provide a forum for mutual support, inspiration, education, and certification of its members. The Guild is committed to organ enthusiasts and organists—beginners to advanced—and offers workshops, lectures, recitals, and other activities to the general public. Monthly chapter events provide help on all levels of playing, as well as addressing informative topics. For more information, go to: [www.uvago.org](http://www.uvago.org).
